Are you passionate about the film, music, and/or non-profit industries, but struggling to find the motivation and direction to pursue your career goals? Join us for a series of information sessions, hear from the experts and learn about opportunities in these fields.

The Career Motivation Series will guide you through the process of discovering your passion, setting your goals, overcoming challenges, building your skills, and finding meaningful work in the film, music, or non-profit industries. Each session will include interactive exercises, group discussions, and personalized guidance to help you develop a plan for achieving your career objectives.
