

Re: COVID-19 Vaccine Eligibility

Dear Provider,

Based on the Georgia Department of Public Health's (DPH) inclusion of foster parents caring for medically complex children in the custody of the Division of Family and Children Services (DFCS) in those eligible for the COVID-19 vaccine, (Foster Parent Name) _____ qualifies to receive the vaccine under the below DPH guideline.

- **Foster Parents:** Foster parents of medically complex children qualify to receive the vaccine as caregivers for those children under Phase 1A+.

Sincerely,

Tom Rawlings
DFCS Division Director
