

MEMORANDUM

Re: COVID-19 Vaccine Eligibility

Greetings!

Based on guidance received from the Georgia Department of Public Health, you have been identified as eligible for the COVID-19 vaccine under Phase 1A+ as the foster parent(s) of a medically complex child.

The foster parents who are eligible include:

- **Foster Parents:** Foster parents of medically complex children qualify to receive the vaccine as caregivers for those children under Phase 1A+.

Vaccinations are not mandatory and are an individual choice. Should you be interested in receiving the COVID-19 vaccine, please take the accompanying authorization letter to your vaccine provider at the time of your appointment.
