

DFCS County Youth Development Series

Connecting with Our Youth and Linking to Our Communities

The Georgia Division of Family and Children Services, Well-Being Services Section's Community Programs Unit is hosting a County Youth Development Series across the state of Georgia. The purpose of the Youth Development Series sessions is to provide information and resources to our Agency's internal staff (Case Managers, Supervisors, Field Program Specialists, County Directors etc) and our local community partners (non-profit organizations, school systems, faith-based organizations etc) about the programs and services provided through the Community Programs Unit. The sessions will be held across the state during the lunch hour and we encourage everyone to bring your lunch (lunch will not be provided). During the session, you will have the opportunity to learn about various programs that provide youth development and youth-focused programming and services. These programs include the:

- DFCS Afterschool Care Program
- Educational Programming, Assessment and Consultation (EPAC)
- Georgia TeenWork Internship Program

Who Should Attend: The day time County Lunch and Learn sessions are for DFCS staff and stakeholders; the evening Community Informational sessions are for community partners and organizations within the local community who may be interested in providing services to the youth within their communities.

Please see the attached upcoming session dates and times. Should you have questions, please contact dhs.afterschool@dhs.ga.gov or 404-657-4651.

Note: Pre-Registration is NOT required; however, space is limited so please arrive early to secure your seat.
