

Connected Caregiver Training

Georgia's Personal Responsibility Education Program and GCAPP are hosting a 2 day virtual connected caregiver training on adolescent at-risk behaviors on March 14-15, 2023, from 10 a.m.-12 p.m. Participants will be able to receive up to **four** hours of training credit!

GCAPP

GEORGIA CAMPAIGN FOR
ADOLESCENT POWER & POTENTIAL
Education • Prevention • Action
For Adolescent Health

This training is aimed at foster parents, caregivers and case managers of adolescents ages 10-19. Since this is an online webinar, individuals who are unable to attend normally due to work or family may be able to participate!
