RBWO Foundations Classroom Training Updates

- Now that Covid protocols have been lifted, we are taking steps towards moving back to fully in person for RBWO Foundations Classroom Training.
- We will begin the transition at beginning of the new fiscal year on July 1st.
- Upcoming classroom trainings will be conducted using a hybrid model.
- We will facilitate the training over a period of four days, Monday-Thursday, via Microsoft Teams.
- Participants will then be required to take the test in person at a testing site in Norcross, GA. They will be able to choose from 2-3 testing dates.
- Testing must be completed within 30 days of taking the classroom training.
- At a later date, RBWO Foundations Classroom Training will transition to how it was conducted pre-pandemic with training and testing being in person.
