

# Back to School Education Academies

THIS TRAINING IS FOR CAREGIVERS ONLY.

**AUGUST 4, 2021**

**9:00 AM - 10:30 AM • [CLICK HERE TO REGISTER.](#)**

**5:30 PM - 7:00 PM • [CLICK HERE TO REGISTER.](#)**

**MICROSOFT TEAMS AND DIAL IN\***

The EPAC Education Support Monitors will present a **BACK TO SCHOOL Education Academy** for caregivers, foster parents, and HSPs. Students will be returning to school this fall and we want them prepared for the new landscape of school. Whether they are returning fully in-person, attending online, or participating in a hybrid model, there is advocacy that you can do to help them succeed this school year. The EPAC Education Support Monitors will facilitate the training and provide you with needed resources and information.

**The purpose of this presentation is to provide information on the following:**

- The importance of immediate enrollment
- Students' educational rights under federal and state laws
- Resources for special education and mental health support
- Post high school planning and resources
