PRESENTER:

Dianne Kelly, MS LPC

Program Description:

This workshop for IMPACT leaders will deepen participants understanding and facilitation of Module 12. As participants review Module 12's essential elements they will be exposed to supplemental information and behavior management principles. The workshop's goal is to deepen IMPACT leaders' ability to help caregivers understand and appropriately address behavior management issues.

Participants must have completed IMPACT certification training and must bring their IMPACT manuals to class. Participants should expect to actively participate in facilitation exercises throughout the day.
