Keys to Foster Care Training for CSS, CSW and HSP Staff

Child Placing Agency Case Support Supervisors (CSS) and Workers (CSW) and Child Caring Institutions Human Services Professionals (HSP) must participate in the DFCS **Keys to Foster Care** training starting in FY 13. **Keys to Foster Care** is a pre-service training experience designed to prepare private agency staff for a successful child welfare career through their agencies partnership with the Georgia Departments of Family and Children Services (DFCS).

Keys is a 4-week experience which combines classroom, field practice and online learning. **Keys** culminates with a skills-based competency test which must be successfully passed in order to earn credit for the course.

Week One: Online and Field Practice

Week Two: Classroom

Week Three: Online and Field Practice
