Authentic Youth Engagement: Creating Connections and Empowering Youth

THE DETAILS

Authentic Youth Engagement is an important aspect when it comes to supporting our youth and influencing positive youth outcomes. Learn how to connect with youth when discussing difficult conversation like unsafe behaviors or the immediate reality looming around the bend.

We will learn through the Youth Thrive Framework; a results based structure derived from research in neuroscience and brain development to promote positive youth advancement that supports a successful transition to adulthood. Gain knowledge of the vast resources and tools available to assist you in educating and supporting youth regarding the inevitable.

WHO SHOULD ATTEND:

CCI and CPA providers both public and private that care for youth 14-26 years old.

THE COST:

The training itself is FREE! All you need to do is register and show up.
