

# MAAC EMPLOYMENT AND TRAINING PROGRAM (MET)

Your Opportunity for a Career in Technology

**Are you in or have been in foster care? Between the ages of 18 and 24? Interested in a career in Information Technologies?**

The MAAC Employment and Training Program (MET) might be for you! The MET Program is designed to offer youth transitioning from foster care direct opportunities for IT certification and other career opportunities.

MAAC knows the importance of access to proper tools, resources, and education to the long-term success of young adults transitioning from foster care and the MET Program may give you the career opportunities you need.

## WOULD YOU LIKE TO APPLY?

Complete an Interest Form by contacting us at [careerinfo@maac4kids.org](mailto:careerinfo@maac4kids.org) or by calling 404.880.9323.

## The MET Program

### REFERRAL + INTAKE

Participants are referred via MAAC programs, stakeholders, collaborators or even self referred by the young adult themselves.

Potential participants receive an initial career & technical assessment.

### TECHNICAL TRAINING

Participants will receive technical training and certification, preparing them for an entry level tech job.

### WORK EXPERIENCE

Participants are connected to workforce, work experience and career pathway opportunities like additional certificates, apprenticeships and entry-level jobs in IT.
