

## **Georgia Parent Advisory Council Opportunity**

Are you a parent or caregiver who:

- \*Has expertise and/or personal experience with the child welfare system?
- \*Is opinionated and willing to share your thoughts?
- \*Has used resources in your area to meet the needs of your family?

The Georgia Parent Advisory Council (Ga-PAC) invites you to serve as a voice for parents to help make positive changes in services that strengthen families and help keep them safely together.

This is a great opportunity for you to lend your voice and experience advising the Prevention and Community Support Section of DFCS. We also compensate parents for travel and their time.

**Contact Octavia Trammell ([octavia.trammell@dhs.ga.gov](mailto:octavia.trammell@dhs.ga.gov)) if you are passionate about developing meaningful partnerships between parents and child welfare staff.**
