

RBWO Provider Service Needs List

The Office of Provider Management has updated the **RBWO Provider Services Needs List**. This list identifies counties and/or regions where new provider services are needed and the specific services required. The OPM will consider prospective new provider application requests and currently contracted providers' program expansion requests based on the needs identified on this list. Below please find the regions and needs:

Region	Program	Provider Program Designation Capacity
All Regions	CCI	<ul style="list-style-type: none"> • Maximum Watchful Oversight (MWO) • Independent Living/Transitional Living Program • Parenting/Pregnancy Specialty Homes
