Program Description

Broken Shackle Ranch serves young men ages 16-20 who need a loving, structured, Christian atmosphere in which to change and mature into responsible citizens. We offer a GED school and vocational training in automotive, welding, landscaping, carpentry, and construction. We offer groups in anger management, substance abuse prevention, social skills, life skills, and self esteem. In addition we have an ILP component in Augusta & Statesboro where students who have completed Broken Shackle can live in a home atmosphere, get a job, and go to college.

The boys may exhibit issues related to attachment disorder. For older youth, we work to assist them with increasing their independent living skills. GA Sheriffs' Pineland, near LaGrange, GA, is the largest of the four campuses owned by GA Sheriffs' Youth Homes. It is located on twenty-four hundred acres of farm and timber land. Hiking and horseback trails, fishing ponds and a meandering creek with an old grist mill are available for children to learn from and enjoy. Pineland, a basic care facility, works with boys on an individual case plans tailored to emphasis their strengths and improve their weaknesses since 1991. With two cottages on campus, Pineland has a [...]</p>

Program Description

The KidsPeace National Centers of Georgia provides Room, Board Watchful Oversight (RBWO) services to both the emotional/behavioral health and sexual disorders population. The program treats males and females ranging in age from 12 to 17 years who are willing to engage in treatment and ready to make changes in their behavior. Often, these clients are ready to step down from a higher level hospitalization, need more intensive services than what the community can provide, possess emotional and /or behavioral management problems, etc. KidsPeace Georgia features self-contained, staff-secure, 24-hour care for clients requiring around-the-clock structure and supervision. The program utilizes a client- and family-centered, strength-based, positive-r [...]

Placement Types Accepted DFCS custody	Program Description Beth-Esther's purpose is to provide a loving family atmosphere for girls between the ages of 6 and 17 years outside of their own homes. We will provide programs to enhance character, and training to mold the children's future physically, emotionally, spiritually, socially, and academically. Our goal is to restore their lives back to the original purpose God has for them. We believe all children can learn when they are given the proper nurturing, guidance and love. We know early teaching is the key to a successful and challenging future. We will provide an opportunity for children to master skills while they are young so they can become the best person they can be in life. We believe in restoring children's lives from the effect of d [...]

Program Description

Little Debbie's Second Chance Home, MWO(LDSCH) is an Maximum Watchful Oversight program for young men between the ages of 13-19. Our program comes equipped with several components: clinical, educational, and life skills. LDSCH offers all residents CORE services which include: individual and group counseling and community support. With the ability to manage our clinical staff, LDSCH is able to track progress and make modifications to treatment goals. Also, we are committed to aligning our program with the commissioner's educational targets; hence we have identified a staff member as Educational director to track, monitor, and support all residents' educational pursuits. In the residential setting, the residents are able to learn cooking, preparing [...]

Program Description

Little Debbie's Independent Living Program (ILP) is a 501(c)(3) non-profit organization, founded in 2004 to provide residential care for troubled and homeless adolescent females between the ages of 15 and 18. This dream was built on and fulfilled due in part to a sincere passion to help young ladies and families break away from generational cycles of abuse and neglect that continues to plague the lives of many families. Little Debbie's ILP serves young ladies from diverse backgrounds. We advocate for minors who have had multiple placements in other child-care facilities, encountered trouble with the law, have been removed from their homes as a result of abuse or neglect, or are in need of on-going supervision and support. Despite their h [...]

Program Description

The Methodist Home at St. Marys serves young men who have mild to severe emotional and/or behavioral management problems that may interfere with the child's ability to function in a family, school or community setting. Residential services include educational support, medical/dental, socialization skills, behavior modification, spiritual growth, and recreational services. Additionally, the agency provides emergency placement for children living in a 50 mile radius of the campus, independent living skills through the state ILP program as well as within the agency, and therapy/mental health services through a local MRO Provider. Each resident has an individual service plan to address his specific emotional/behavioral concerns. The [...]

We provide the children of the Golden Isles and across Georgia with a safe haven from abuse and neglect. Safe Harbor is guided by the mission statement: to provide shelter and therapeutic services to children who have been abused, abandoned, or neglected; who are homeless or have run away from home; or who are otherwise at risk or feel threatened. The new Safe Harbor Children's Center is a welcoming 22,000 square foot campus for 24 abused and neglected children. The residence will feature separate two-story wings for boys and girls, each home to 12 children wi [...]

Placement Types Accepted DFCS custody Parental custody		Program Description The goal of our foster care program is to provide a safe and nurturing environment for children where their needs are met and planning for their future occurs. The most common reasons for placement include child abuse and neglect, abandonment, parental drug addiction and parental instability. The age range of children served is primarily newborn to 21 years with behavior levels of Traditional, Base with Oversight and Maximum with Oversight needs. The greatest need is for families who will serve sibling groups of children and children with some special needs. The majority of children are referred for placement by the Department of Family and Children Services. Private placements are also accepted occasionally. Placement Types Accepted DFCS custody	Program Description Laurel Heights serves children and adolescents with serious emotional difficulties who can be safely managed by specially trained foster parents. Family Consultants and the Program Director have all worked in intensive residential treatment settings so have significant experience in managing the behavioral challenges and understanding the needs of this population. Our foster parents have primarily worked with children stepping down from intensive residential treatment or PRTFs. We primarily work with children who have a need for Specialty services as our staff have the expertise to work with this population and our program is small (30 - 35 children)

Placement Types Accepted	Program Description Mountain Top Homes, a subsidiary of Mountain Top Boys Home, is a faith based, nonprofit foster care agency, partnering with DFCS in Region 1 & 3 to provide homes for foster children of all ages. We recruit, train, and support foster and adoptive families in local churches and license them to provide community-based, short- and long-term care for foster children in Georgia. We recruit stable and caring homes by providing professional services for the whole family through foster families, case managers, counselors, and other professionals.

Our foster care program specializes in providing a nurturing and stable family environment to youth experiencing moderate to severe mental health issues that are in need of addressing significant problems with living. We provide one-on-one positive behavioral supports geared towards youth stepping down from a hospital setting or to prevent placement into a high level group home. Our "specialty mental health services" are designed to address functional impairments which include assessment [...]

Program Description

Positive Growth Inc. (PGI) accredited by the National Council on Accreditation (COA). We offer youth (boys) between the age of twelve and twenty-one, a safe therapeutic, home-like environment, grounded in compassion and nurturing, wherein our youth may work through the issues of emotional and/or psychological distress, behavioral disorders, delinquency, dysfunctional family relations and poor educational achievement in a structured, routine based environment. As part of our social services, we offer an environment and culture that fosters and encourages the youth in our care to make their own choices and take responsibility for their behavior. By enhancing their "everyday living skills", our system is set up so each resident is provided fre [...]

Placement Types Accepted DFCS custody Emancipated		Program Description The Transitional Living Program (TLP) is a community based residential program for children and youth, ages 17 ½-20. Youth live in the Lavista Atlas Community in one of two buildings, that provide 2-3-bedroom apartments for each participant. Our philosophy is to both empower and emotionally support order adolescents in a manner that provides a bridge between foster care and becoming independent. In the agency continuum, the program of Transitional Living is designed to equip with youth with necessary skills to transition them from our TLP community based apartments to their own apartment within the community through our ILP (Independent Living Program), that will eventually lead to them living on their own. The program of Transitional Living [...]
