We are a non-profit corporation that provide youth with consistency, a safe environment and a loving, stable home. We serve youth who may have been abused, neglected, and exploited. Most youth we serve have emotional or behavioral problems which interfere with his or her ability to function in the family, school or community. Our program accepts youth designations of BWO, AWO and MWO & enhanced waivers. We serve youth between ages 6-17 and up to 21 years of age for existing residents in our program. Our goal is to provide the highest quality care and support to youth to become stronger and [...]

We will provide programs to enhance character, and training to mold the children's future physically, emotionally, spiritually, socially, and academically. Our gold is to restore their lives back to the original purpose God has for them. We believe all children can learn when they are given the proper nurturing, guidance and love. We know early teaching is the key to a successful and challenging future. We will provide an opportunity for children to master skills while they are young so they can become the best person they can be in life. <b>Placement Types Accepted</b> DFCS custody	<b>Program Description</b> Little Debbie's Second Chance Home, Columbia, is an Maximum Watchful Oversight program for young men between the ages of 13-18. Our program comes equipped with several components clinical, educational and life skills. LDSCH offers all residents CORE services which include; individual and group counseling and community support. With the ability to manage our clinical staff, LDSCH is able to track progress and make modifications to treatment goals. Also, we are committed to aligning our program with the commissioner's educational targets, hence we have identified a staff member as Educational director to track, monitor and support all residents' educational pursuits. In the residential setting, the residents are able to learn cooking, preparing [...]

This dream was built on and fulfilled due in part to a sincere passion to help young ladies and families break away from generational cycles of abuse and neglect that continues to plague the lives of many families. Little Debbie's ILP serves young ladies from diverse backgrounds. We advocate for minors who have had multiple placements in other child-care facilities, encountered trouble with the law, have been removed from their homes as a result of abuse or neglect, or are in need of on-going supervision and support. **Program Description**

Established in 1924, the mission of Murphy-Harpst Children's Centers (MHCC) is to provide healing and hope to children and youth who are experiencing significant emotional and behavioral challenges. Many have experienced physical, emotional or sexual abuse, sexual exploitation, neglect, abandonment, or other trauma while others have succumbed to negative peer pressure and drug use. Located on 160-acres in Cedartown, Georgia, MHCC provides a beautiful residential campus that offers a Transitional Living Program, an Education Program that was identified as a Reward School by the Georgia Department of Education in 2014, a Clinical Program, a Work Program, Equine Therapy, and Therapeutic Activities. The organization also offers a Specialized F [...]

<b>Placement Types Accepted</b> DFCS custody DFCS/DJJ joint custody Emancipated Parental custody	<b>Program Description</b> Wellspring Living For Girls is our residential program serving girls 12-17 who are survivors of DMST. The program offers a continuum of care including therapy, education, and life skills classes, designed to foster holistic change in the life of each survivor. Wellspring Living offers a safe, supportive environment for each survivor, allowing her to heal, grow, and create a new future in her own time. Each girl is encouraged to set personal goals in her therapy and education, and each is supported by staff and volunteers throughout her journey of healing. The therapeutic services for each survivor in Wellspring Living For Girls include weekly personal therapy, daily group therapy, and family therapy twice a month. Therapy is Strength-Based [...]

<b>Placement Types Accepted</b> DFCS custody Parental custody		<b>Program Description</b> The goal of our foster care program is to provide a safe and nurturing environment for children where their needs are met and planning for their future occurs. The most common reasons for placement include child abuse and neglect, abandonment, parental drug addiction and parental instability. The age range of children served is primarily newborn to 21 years with behavior levels of Traditional, Base with Oversight and Maximum with Oversight needs. The greatest need is for families who will serve sibling groups of children and children with some special needs. The majority of children are referred for placement by the Department of Family and Children Services. Private placements are also accepted occasionally. Foster parents at Agape are [...]

<b>Placement Types Accepted</b> DFCS custody	<b>Program Description</b> Goshen Homes, a subsidiary of Goshen Valley Foundation, is a faith based, nonprofit foster care agency, partnering with DFCS in Region 1 & 3 (Cherokee, Bartow, and surrounding counties) to provide homes for sibling groups that would otherwise not live together while in foster care. Goshen Homes is designed to bring siblings together in stable and caring homes by providing professional services for the whole family through foster families, case managers, counselors and other professionals, with support through local churches and community partners, while advocating for the physical, psychological, emotional and spiritual growth and development of each child and family in the most normal and least restrictive setting possible.

<b>Placement Types Accepted</b> DFCS custody		<b>Program Description</b> Laurel Heights serves children and adolescents with serious emotional difficulties who can be safely managed by specially trained foster parents. Family Consultants and the Program Director have all worked in intensive residential treatment settings so have significant experience in managing the behavioral challenges and understanding the needs of this population. Our foster parents have primarily worked with children stepping down from intensive residential treatment or PRTFs. We primarily work with children who have a need for Specialty services as our staff have the expertise to work with this population and our program is small (30 - 35 children)
