Program Description

Beth-Esther's purpose is to provide a loving family atmosphere for girls between the ages of 6 and 17 years outside of their own homes. We will provide programs to enhance character, and training to mold the children's future physically, emotionally, spiritually, socially, and academically. Our goal is to restore their lives back to the original purpose God has for them. We believe all children can learn when they are given the proper nurturing, guidance and love. We know early teaching is the key to a successful and challenging future. We will provide an opportunity for children to master skills while they are young so they can become the best person they can be in life. We believe in restoring children's lives from the effect of d

Placement Types Accepted	Program Description This program is designed to achieve permanency for sibling groups and individual children in foster care. Utilizing a trauma informed, assessment driven, integrated service delivery approach, family support specialists work as a part of a therapeutic team to assist DFCS in concurrent planning to identify and develop the permanency plan: re-unification, kinship care or adoption. This program may include the use of Gateway foster homes as assessment homes to achieve permanency.

Placement Types Accepted DFCS custody Parental custody		Program Description The goal of our foster care program is to provide a safe and nurturing environment for children where their needs are met and planning for their future occurs. The most common reasons for placement include child abuse and neglect, abandonment, parental drug addiction and parental instability. The age range of children served is primarily newborn to 21 years with behavior levels of Traditional, Base with Oversight and Maximum with Oversight needs. The greatest need is for families who will serve sibling groups of children and children with some special needs. The majority of children are referred for placement by the Department of Family and Children Services. Private placements are also accepted occasionally. Foster parents at Agape are

Placement Types Accepted DFCS custody		Program Description Laurel Heights serves children and adolescents with serious emotional difficulties who can be safely managed by specially trained foster parents. Family Consultants and the Program Director have all worked in intensive residential treatment settings so have significant experience in managing the behavioral challenges and understanding the needs of this population. Our foster parents have primarily worked with children stepping down from intensive residential treatment or PRTFs. We primarily work with children who have a need for Specialty services as our staff have the expertise to work with this population and our program is small (30 - 35 children)

Placement Types Accepted		Program Description Mountain Top Homes, a subsidiary of Mountain Top Boys Home, is a faith based, nonprofit foster care agency, partnering with DFCS in Region 1 & 3 to provide homes for foster children of all ages. We recruit, train, and support foster and adoptive families in local churches and license them to provide community-based, short- and long-term care for foster children in Georgia. We recruit stable and caring homes by providing professional services for the whole family through foster families, case managers, counselors, and other professionals.

We envision a world where 'all children are raised in a loving, compassionate and nurturing home. UMCH's long established foster care program continues to provide homes for children in need throughout the Atlanta metro area, Gainesville, and Newnan areas. Services are delivered through our central office at 1967 Lakeside Parkway Tucker, GA 30084. In 2011, we began serving children through our Gainesville office, 604 Washington Street NW Gainesville, GA 30501. In 2016 we began serving children through our Newnan office at 17-23 Greenville, St., Box 7, Newnan, GA 30263. When children in our foster homes become available
